

The 2018 Inaugural Conference for Aspiring Women Leaders will be hosted by the University of Florida Conference Department, with this dynamic 2 day event being the first of its kind in the state of Florida and promising to bring highly talented proven leaders together with aspiring women leaders. The conference will be held at the University of Florida Hilton Conference Center in Gainesville, FL on March 8-9, 2018, with the conference kicking-off on International Women's Day.

This 2 day conference will host keynote speakers, interactive workshops, panel discussions, and multiple topics focusing on leadership, business, and professionalism for women. We will also be having a networking dinner on Thursday, March 8<sup>th</sup> to continue the discussion and allow for networking opportunities that will lead to engaging and long lasting relationships among aspiring women leaders.

There are several sponsorship opportunities available in order to market your organization throughout both days of the conference. Sponsorships will be applied to help achieve affordable learning and development experience that will empower women to make positive changes in their communities, careers, homes, and lives.
